"Opening Hearts & Minds"

Church Service & Harvest Festival

Our first church service and Harvest Festival is being held tomorrow, **Thursday, 22nd September** at All Saints Church at 9.00am and will be conducted by Rev Charlie Maiden.

Children are encouraged to bring a donation of food.

This can either be tins/cans of soup, beans, tuna or vegetables etc, packets of pasta/rice, cereals, biscuits or jars of sauces, jam or spreads etc.

Fresh fruit and vegetables can also be donated.

The church is donating all food contributions to our local Food Bank at St Marys Church. All the children attend the service and parents/carers and families are invited to join us.

'Make Every Day Count' - 'Rocket Attendance Award'

Well done to our winners for week ending 16th September 2016 for completing a full week's attendance:-

Congratulations to:-

Reception : Michael Kalitynski

Year One : William Godney

Year Two : Jacob Gregory

The children have been picked at random from all the children in their class who blasted off to the moon and their 'stars' have been placed on our Rocket Certificate which is displayed on the wall by the rocket.

They have each received a certificate and a pick out of our Prize Pot.

Infections

It has been brought to our attention that a case of threadworm has been diagnosed. Symptoms can often go unnoticed but can include itching around the bottom, disturbed sleep and loss of appetite. Threadworms are common in small children as they often forget to wash their hands after using the toilet and eggs can easily be passed on.

Year 2 Parents - Ravenstor Meeting

Just a reminder about the Ravenstor meeting for Year 2 parents which is being held this Friday, 23rd September at 3.15pm.

Celebration 'Super Stars'

Our winners for week ending Friday, 16th September were:-

Reception > None this week

Year 1 > Connor Harpham

Year 2 > Tyson Wood & Charley Freestone

Congratulations to all our 'Super Stars', keep up the excellent work!

Road Safety

Can we once again ask for your co-operation in ensuring the children are safe when crossing the road. On Monday, 19th September an incident occurred as the crossing patrol was assisting the children across the road. This put a parent and child in a potentially dangerous situation.

The crossing patrol has asked that no vehicle is parked either side of the road when he is on duty.

Please park sensibly to ensure the safety of all our children.

Class Attendance for 12th to 16th September 2016

Reception = 99.3%

Year 1 = 99.2%

Year 2 = 97.9%

Congratulations to **Reception Year** for the highest attendance this week!

They are the winners of 'Alfie Bear', our Attendance Teddy.

Our overall attendance for the week is **98.8%** which is higher than our target attendance of **97%**!
