Harvest Festival

We would like to say a very big thank you to all parents and children who very kindly contributed to our collection for the Harvest Festival last week.

We received so many items of food, so thank you once again for your generosity.

***** Important Safety Notice *****

We would like you to be aware of the dangers when parking near our school. Please can you be considerate and **not** park over our neighbours driveways and also ensure you leave enough room for them to pull in and out of their driveway. Even if you think you'll only be parked for a couple of minutes it can cause obstruction to our children and also to local residents.

Please be extra vigilant of children crossing the road at all times whilst we do not have a school crossing patrol.

If you have any concerns regarding road safety, please contact Notts County Council on **0115 977 4374** or at road.safety@viaem.co.uk.

School Photographer

Our school photographer has been here today taking individual photos of the children. The proofs will be sent out to you in due course. Once received, the options of payment will be explained on the proof, however, online payment is the easiest and quickest option.

The flu vaccine is simply a spray up the child's nose, it is painless and very quick.
If the consent form is not returned in time for the vaccinations your child may not be able to have the spray vaccine.

**** Final date to return the consent form is Friday, 6th October.****

Road Safety : Zig-Zag Lines - No Parking

Please can parents be aware that they should **NOT** park on the **yellow zig-zag lines** at **ANY TIME**. Nottinghamshire County Council patrol the school area and will record any cars parked on the lines, regardless of the time they are parked, which will incur a fine from the Council.

Head Lice

Unfortunately, we currently have several cases of head lice in school. Please can you ensure you are checking your child's hair on a regular basis and carry out any treatment if necessary. Children do not need to be kept off school whilst treatment is being carried out. To treat head lice, it is advisable to wash your child's hair with shampoo and then carefully comb through conditioner with a fine toothed comb. For further details please speak to your local pharmacist for advice.
