Dear Parents and Carers,

As you know, since the announcement of a third lockdown on Monday evening, school has been open only to children of keyworkers and those who meet specific criteria defined by the Department for Education.

Since Tuesday, we have received a large number of requests for keyworker places and have had many more children in school than we had in the previous lockdown. The governors and I are now reviewing whether or not we can continue to run the school safely with numbers as high as they are.

Therefore, we are asking all keyworker parents and carers who have requested provision to review whether or not it is absolutely essential. Where it is, the care requested must link to shift patterns. The government guidance is clear that every child who can be safely cared for at home should be. As things stand, we may not be able to take children of keyworkers if another adult within the support bubble can care for them at home.

Please contact the School Office if you have any questions or want to discuss your specific circumstances with a member of staff. Thank you, as always, for your support and understanding as we work through this together.

Take care and stay safe.

Warm wishes,

Joanna Redfern
