MISSION STATEMENT

Opening hearts and minds through the grace and love of God

At All Saints Infant and Nursery School and Selston Infant and Nursery School children always come first and we try to nourish, challenge, prepare and inspire them within a Christian ethos.

We believe in valuing all who contribute towards the successful running of our schools including children, parents, carers, governors, teaching and non-teaching staff.

This Mission Statement lies at the heart of our schools' aims. It is the philosophical basis for all of the schools' policies and through these, for everything that happens in and round our schools. Our aspiration is for everyone at All Saints and Selston to:

- feel happy, secure, safe and valued at school
- develop a growing awareness of their own inner self and spirituality, and of the power of the Christian faith to transform lives
- develop healthy relationships based on care, trust, compassion and forgiveness
- show acceptance for and understanding of others who may have different beliefs or needs
- strive for the highest standards of achievement, developing the confidence and skills to be independent, motivated and self-disciplined learners
- have a positive approach to life, contributing to the well-being of the community and building hope for the future

We hope that children will leave our schools with open hearts and minds, ready to respond to the opportunities that lie before them and to experience the joy of life in all its fullness.

Equality Policy

Every person in our school community is made in the image of God and is loved unconditionally by God. Everyone is equal and we treat each other with dignity and respect. Our school is a place where everyone should be able to flourish in a loving and hospitable community. Each person should be able to thrive, irrespective of physical appearance, gender, race, religion, ethnicity, socioeconomic background, academic ability, disability, sexual orientation or gender identity.

We are committed to promoting the understanding of the principles and practices of equality – treating all members of our school community as individuals according to their needs, with an awareness of our diverse society and appreciating the value of difference. We actively seek to challenge discrimination and we promote an anti-bullying stance which makes clear the unacceptability of racist, disablist and homophobic, biphobic and transphobic bullying and language.

1. Legal framework

We welcome our duties under the Equality Act 2010 to eliminate discrimination, advance equality of opportunity and foster good relations in relation to age (as appropriate), disability, gender reassignment, race, religion, sex and sexual orientation.

We welcome our duty under the Education and Inspections Act 2006 to promote community cohesion.

We recognise that these duties reflect international human rights standards as expressed in the UN Convention on the Rights of the Child, the UN Convention on the Rights of People with Disabilities, and the Human Rights Act 1998.

2. Guiding principles

Our approach to equality is based on the following key principles:

- All children should feel happy, secure, safe and valued at school.
- All children should develop a growing awareness of their own inner self and spirituality, and of the power of the Christian faith to transform lives.
- All children should develop healthy relationships based on care, trust, compassion and forgiveness.
- All children must show acceptance for and understanding of others who may have different beliefs or needs.
- All children should have a positive approach to life, contributing to the well-being of the community and building hope for the future.

3. Development of the policy

This policy was developed with all staff members and governors. Parents and carers were consulted and 'Valuing All God's Children' (2019) and the Church of England Vision for Education (2016) were also used.

4. Links to other policies and documentation

We ensure that the principles listed above apply to all of our policies and practice including those that are concerned with:
